October 21, 2021, discussion will be on The Water Dancer by Ta-Nehisi Coates. The monthly selections are listed on the borough website. If you have any questions, please email Jndkennedy@verizon.net.

Sometimes progress is messy!

As the Borough embarks on the ***Stumps Run Improvements*** and as the Municipal Authority works hard to update and improve the ***Water System***, much of Middleburg Borough finds itself having to endure the mess and upheaval during these projects. While these things are inconvenient at this time, the long-term results of these projects will provide a stronger, safer infrastructure for our town. Hidden things like old, outdated, and crumbling water pipes and the deterioration of a retaining wall may seem insignificant, but it is the hidden things that often cause us the most problems in life! Please pardon the condition of the roads while we work to improve these aspects of our community.

Being the Mayor has meant changes in my life as well. While the change of progress and new positions brings some upheaval, the results are worth the challenges. From the beginning of my service on Borough Council, my hope was that we could continue to make Middleburg a community where people want to live and work. Small towns are made wonderful places to live by the people who reside there. Their commitment to making their community better for those who will live there tomorrow makes the difference between progress or decay, growth, or decline. I am so thankful for the many people in Middleburg who have worked tirelessly through the years for the good of others!

As we head into the November election, there are several open seats on Borough Council. Running as a write-in candidate is still an option if you have a desire to serve your community and help secure Middleburg's future. I would love to talk to you if you would like more information about this!

Middleburg Revitalization Committee

A BIG thank you to everyone who donated to help make the fountain project a success!

The MRC received enough donations to purchase a third bigger fountain to be placed between the two smaller fountains. One fountain is in memory of Chief Tony Jordan and the other two fountains are in memory of all the past residents and businesses who have made an impact on our community. All three fountains light up at night, thanks to George and Alma Long.

Please keep a look out for the third fountain, which is scheduled to be installed this Fall.

MIDDLEBURG BOROUGH WEBSITE

Please visit the Middleburg Borough website at www.middleburgborough.com for information and current news in the Borough. You will find links, which provide a better way to locate information. The Borough will update the website with new information to keep the residents and visiting public aware of what is new and happening in the Borough.
